

Early Childhood Education Campus of Seven Holy Founders

Our Early Childhood Education campus features both traditional and year-round programming. Flexible attendance schedules allow families more choices with part-time or full-time opportunities.

HCA focuses on the child's overall development: social-emotional, motor, daily life skills, faith and academics.

THE HCA EARLY CHILDHOOD EXPERIENCE

- ✓ **Faith** - Children begin their relationship with Jesus through the Catechesis of the Good Shepherd program and within the classrooms by learning about the Bible, Advent, Lent, and daily prayer.
- ✓ **Learning** - Children learn through play and hands-on experiences during the day with small groups, learning centers, art projects, and by exploring a variety of materials.
- ✓ **Specialty Classes** - Children participate in a variety of classes that enhance the curriculum: music, physical education, science, and body/balance, as well as Catechesis of the Good Shepherd.
- ✓ **Parents as Partners** - Our teachers work with families to support children as they grow and develop. Teachers communicate daily with parents through classroom photos, short videos, and progress updates using the Brightwheel app.
