

Primary Campus at St. Michael the Archangel

Our Primary campus keeps class sizes small, offering personalized attention at an age when individualized attention and instruction are most important for student success.

Kindergarten through second-grade students have opportunities to build relationships across campuses with Academy field trips, Masses, and activities with multiple grade levels.

THE HCA PRIMARY EXPERIENCE

- ✓ **Faith** - Students spend time in weekly Mass, Adoration, and daily prayer. Kindergarteners use our bus system to travel to our ECEC campus to attend Catechesis of the Good Shepherd.
- ✓ **Enrichment** - After-school enrichment activities such as chess, dance, and karate are available. Our campus garden allows for hands-on learning outside.
- ✓ **Individualized Instruction** - Guided reading, curriculum-based grading, and a campus learning consultant all ensure that instruction meets the needs of all types of learners. To supplement traditional classroom learning, social skills groups and enrichment groups are also offered.
- ✓ **Holy Cross Parents Association** - The HCPA provides many opportunities, such as Trunk or Treat, Santa's Workshop, and Field Day, for parents to use their time, talent, and treasure to support the school's programs.

"We have a community that is open and inclusive of others. Children and parents both have a wide range of people who are supportive and share common values. Our structure encourages and allows collaboration that helps children thrive. All learners have a place and they are not alone!"
- Jim and Kelly Klosowski, HCA parents

"I have seen my children grow tremendously in their faith, including knowledge of the Catholic faith, parts of Mass, and prayer. There is also a large emphasis on the value of kindness and inclusion at Holy Cross Academy, which is clear when you watch the children interact with each other." - Ryan and Kathleen Roepke, HCA parents
